Swiss Low Noise Cooling Solution

ARCTIC Breeze PRO

USB Desktop Fan with 4-Port USB Hub

ARCTIC Breeze Pro is the successor of the well known ARCTIC Breeze. Thanks to the 4-port USB-hub, ARCTIC Breeze Pro not only serves you with a fresh breeze, but also brings your USB-connectors on the desk. The fanspeed is adjustable, so you can set up the exact speed to comfort you.

Specifications:

Fan:	92 mm
Fan Speed:	800 to 1,800 RPM
